Good morning,

Being mindful Q&A are included in the communication strategy for the team talking points etc.,

Keeping in mind we do not want to have multiple handouts/flyers. In addition to the flyer, it will be useful for the community to have Q&A in hand that will likely be asked during removal efforts.

Cheryn, Please give me a call...A few comments below:

**Subject:** Updated Lowerline Q &A and flyer

Attached is an updated version of the Lowerline Q&A and the flyer for canvassing.

Not sure if you'd like to add your logo to the top of the Q&A document or flyer, this is a compilation of all the documents.

I'm scheduled to canvass on Saturday morning and then again the evening of Wednesday, May 22. I'll also mail the flyer to the addresses associated with the empty lots. The assessor typically shows a mailing address in addition to the property address.
